Start your Video Visit

The medical staff will first contact you over the phone to obtain your vital signs and other information. After the call is completed you can start the video visit.

Patient Key Reminders:

- Choose a quiet environment
- · End all other calls before starting the video
- · Remain in the virtual waiting room once you have started the video

On the top menu click Visits and select **Appointments and Visits.**

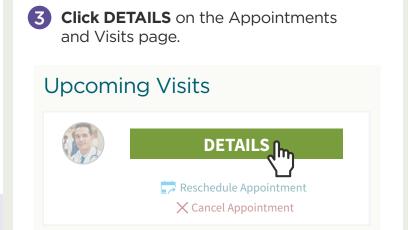

2 ECHECK-IN to an upcoming scheduled video visit appointment.

You may electronically check in and complete registration steps up to 7 days before your appointment.

If you do not electronically check in, an AltaMed Representative will contact you up to 24 hours before your appointment to complete the registration for you over the phone. Please reference the MyAltaMed Video Visit eCheck-In Instructions.

Click BEGIN VIDEO VISIT.

It's time to start your video visit!
