

AltaMed Health Services is at your school!

Dental and Behavioral Health Services are available here at this school.

Oral and mental health are just as important as physical health.

Our AltaMed teams are available on campus to help students keep their smiles bright and minds healthy.

In-School Services Include:

Dental:*

- Dental Exams and Fluoride Treatment
- X-rays and Teeth Cleaning
- Oral Health Education
- Minor Restorative Care
- Self-Management Goals
- Nutritional Counseling

Behavioral Health:**

- Individual Short Term Counseling
- Stress Management
- Grief & Loss
- Referrals for Long-Term Care

Enrollment forms are available at your school's main office.
