

MEMORANDUM

AltaMed is pleased to announce that **telehealth services are available for all specialties listed below**. This initiative supports increased access, improved care coordination, and enhanced convenience for our patients across the network. Telehealth appointments allow for timely specialty consultations while reducing barriers related to travel, scheduling, and provider availability.

The following specialties are offering telehealth services:

- Cardiology / Interventional Cardiology
- Dermatology
- Endocrinology
- ENT / Otolaryngology
- Gastroenterology
- Hematology
- HIV/AIDS Specialists / Infectious Diseases
- Nephrology
- Neurology
- Non-Specialty Mental Health Providers
- OB/GYN
- Oncology
- Ophthalmology
- Primary Care
- Psychiatry
- Pulmonology

For questions regarding telehealth scheduling or specialty coordination, please contact the Provider Network Management team.
